PRINCE CHARLES WILL APPEAR AT CONFERENCE AS A HOLOGRAM

Jan 3, 08. His detractors may argue that his green principles do not stand up to close examination. But now Prince Charles is set to confound his critics by addressing an energy conference - as a hologram.

A video projector will beam an image of the Prince on to the floor. It is then reflected up on to a paper-thin sheet of foil to create an optical illusion that makes him appear as a 3-D image on stage.

This is a foreshadowing on the Antichrist's 666 technology that will deceive the world after he becomes the world ruler. Read article, and view explanatory pic>
